

NatMeet IX 2-6 April 2010 McLAREN VALE SOUTH AUSTRALIA

It's on again!

NatMeet is the premier event held by the Mazda MX-5 Clubs of Australia every two years at Easter-time. Having successfully hosted the inaugural national meeting in 1994, and again in 2002, South Australia is proud to be hosting NatMeet IX in the twentieth anniversary year of the State MX-5 clubs' formation.

At NatMeet 2010 in McLaren Vale we will not only celebrate this significant moment in MX-5 Club history but share our admiration of the world's most popular sports car and enjoy a range of activities with a 'sea & vines' theme. Come along and be part of the fun!

WHAT'S ON THE AGENDA

We are planning an exciting program, including

- Welcome gourmet bbq
- Concours d'elegance & on-site Mazda display
- Motorsport events: AIR track day (to be confirmed)
Willunga Hillclimb, funkhana
- Navigation & convoy runs throughout scenic Fleurieu Peninsula
- Beach picnic activities
- Winery & gourmet produce outlet visits
- 'Sea & Vines' dress-up dinner dance
- 'Glitz & Glamour' trophy presentation night
- 20th anniversary celebrations
- Free time to relax or explore the region further
